Bid price shall include a standard warranty for 3 years or 36 months on all parts and labor along with a 5 year/100,000 mile warranty on all powertrain components and labor.

Bid price shall include all dealer delivery and destination charges.

License and Title fees will be paid for separately upon delivery and acceptance of vehicle.

Vehicle will be inspected after delivery. If it is found to not be in compliance with the specifications listed above, the County Engineer reserves the right to reject delivery within 2 business days at no cost to the County.

The County Engineer reserves the right to accept or reject any bid submitted and to waive any technicalities that may arise during the bidding process, such as potential availability issues or the combination of unavailable options to the specifications listed above.

The County may trade in the following vehicles and apply the trade in value to the purchase price of the new vehicle.

2011 GMC 2500 4X4: 190,000+ miles VIN: 1GT22ZCG3BZ218271

2005 Ford F150: 112,000+ miles VIN: 1FTRF12W55NB11439

Please indicate the trade-in amounts for each vehicle listed above clearly on your bid.

Bids will be accepted by the White County Highway Department at 1103 East Main Street until 2:00 pm on July 20, 2022.

Any questions shall be directed to Brian Ray, County Engineer, White County Highway Department.
